Sharyn, please read forwarded message from LAPD SLO Eddie Guerra.

As per SLO Guerra and getting a truck to pick up and remove stuff . . . would this be something HBT could do sooner than next Tuesday of next week. Please respond to all and advise. Thanks.

All,

I dealt with the homeless encampment this morning and spoke Rich Williams. I do not have access to our station truck today or else I would go back and pick up the trash he is setting to the side. Do any of you have access to get this picked up today?

I am not back till next week on Tuesday do to other deployments this weekend in the City. I would hate to have another homeless come by and either use the trash left behind and make it worst or even set up camp there again. If you don't have access to a clean-up team I will deal with the trash when I come back on Tuesday.

**Subject:** Subjects at Willoughby and Cole

Hello guerra,

I would like to request for your assistance in regards these subjects at Willoughby and Cole. We're getting complaints from neighbors (Willie from 855 Cahuenga milk studios) in regards some of his clients getting harassed when walking by and the use of alcohol and controlled substances. HMDB.I.D officers make contact with them to relocate them. They leave and come back within a few hours, they also get verbally aggressive and make it difficult when relocating them. Yesterday we responded to a service call in regards same subjects for disturbing the businesses (approximately 4-6 subjects) LAPD also responded. They were having a Barbeque on the sidewalk. Today we had another complaint for the same reason. I appreciate your help in regards this matter.

Thank you, sir
